“There is no one who does what *Friend of the Family* does – their full range of service is unmatched in the industry. They are always on time, on budget and have great customer satisfaction. I recommend them to my clients.”

Ms. L.O., Realtor  
Perry & Co.

“I don’t know what I would have done without Anne and her gals – I’ve never done such a big move, and they made all go smoothly. From unpacking all the boxes to placing the art to customizing the closets to choosing the wall color, it was a great job.”

Mrs. M.T., Holly Creek resident  
Christian Living Communities

“I had lived in my Victorian for 40 years and couldn’t imagine what it would take to move – Anne and her team walked me through all the steps, and with some careful hand-holding, helped me transition to my new penthouse. Thanks to her it was a relatively painless transition.”

Dr. J.K.  
Psychiatrist

“We went on a five-day cruise, and in that time all of our belongings were packed, moved to our new home, unpacked and placed in their proper place! We came home to find our home magically transplanted to our new location, from our front porch geraniums to the grand piano!”
